

Kingdom Convergence at a Glance

KC was birthed to accomplish three primary goals:

First, we equip leaders, individuals, and churches in Biblical theology and empowered Kingdom ministry. Proclamation and Demonstration is the Jesus modeled for Kingdom life. We do this through our schools, online trainings, monthly weekend seminars, and conferences.

Second, we build bridges between leaders and individuals from different churches and streams, in order to see John 13:34-35 realized.

*"A new **command** I give you: **Love one another**. As I have loved you, so you must love one another. **By this everyone will know that you are my disciples**, if you love one another."*

We do our part to help facilitate this commandment through regional worship and prayer events, connecting with leaders, missional ministry events, and family gatherings.

Third, we train leaders in our "Kingdom Leadership: Raising Fathers and Mothers" program. Anyone seeking to grow as a leader can participate. All are welcome, However, we especially desire to equip those visionaries and pioneers who have a missional call to plant ministries, congregations, and missional communities. We can provide ordination through KC and a covering for those "*sent ones*" through The Convergence Communities Network.
